About this Pre-Derby Event

The evening will be filled with delicious passed hors d'oeuvres, a thoughtfully curated plated dinner, drinks, a silent auction, and live entertainment. All net proceeds will benefit the Family Resource and Youth Services Coalition of Kentucky (FRYSCKy), a non-profit membership organization for a network of workers striving to help at-risk students succeed in school.

The Kentucky Family Resource and Youth Services Centers were established as a component of the historic Kentucky Education Reform Act (KERA) of 1990. The mission of these school-based Centers is to help academically at-risk students succeed in school by helping to minimize or eliminate non-cognitive barriers to learning. The FRYSC program is the largest school-based family support network in the United States.
